- **Note:** Payment must be made in full before commencement of lectures.

# Music Business (3 Months)

Making music and making a living from your music are not the same thing. When it comes to getting your music into the marketplace you must fasten your seat belt and get exposed to the world of music business. How does it work? From writing your song and copyrighting it to finding a good record producer, getting the job out of the studio, promoting the song, getting a record deal, signing contracts, releasing an album and marketing it, all the way to getting booked for every major gig. You need to know how it works.

Our Music Business and Career Guidance course is a two module – three month per module- program that focuses on empowering you to become savvy with the nitty-gritty of music and entertainment business in general. It's an eye opener into the day to day industry operations, ranging from copyright to music publishing, record deals, artist management, music promotion, events and showbiz, etc. The program is designed for people intending to build careers in music and entertainment industry entrepreneurs in general.

## **Lesson Days, Time & Fees:**

- **Note:** Payment must be made in full before commencement of lectures.

# Songwriting (3 Months)

Have you always dreamt of writing award-winning songs? Do you already write songs, but feel it's about time you started writing like a pro? Here is a perfect course for you! Songwriting is both an art, as well as science. It is an art form because it requires talent and creativity; songwriting requires a great level of freedom and self-expression. It is scientific because there are a set of rules and principles by which great songs are written across all ages and genres. Hence, successful songwriting requires that you acquire some basic level of knowledge and develop certain set of skills. That is what this three month songwriting course is designed to take you through – in principle and in practice.

- **Lesson Days, Time & Fees:**

**Lecture Holds:** Once Weekly

**Course Fee:** Fifty Thousand Naira only (N50, 000.00).

**NB:** Payment must be made in full before commencement of lectures.

## D.J Academy (3 months)
